

PLOT WITH PROJECT FOR SALE IN LA CAÑADA, PATERNA (LA CAÑADA)

Reference: 1398VE

Sale price: 250.000€

m2 plot: 606.

PLOT WITH PROJECT INCLUDED We present a plot of 606m² in the urbanisation of El Plantio in La Cañada with perfect location, close to all amenities. Ready to start building, as a project for a detached villa on one floor is included, with a versatile open plan room on the first floor. The style is modern and very functional, designed for comfortable and modern living. The project consists of more than 200m built, with 4 double bedrooms, three of them on the ground floor with 3 complete bathrooms and a guest toilet. The house will be divided into two areas, the day area with a large living room with fireplace, kitchen, toilet, two terraces, swimming pool and paellero in a beautiful garden. Furthermore, the project can be modified with the small details of the interested party. Building license already granted by the Town Hall of Paterna, you just need to see yourself living in your new home. In laHome real estate we will give you all the information you need.
