## Description

SPACE, LOCATION AND OPPORTUNITY Plot of 3,192 m² in Moncada, ideal for industrial use or investment in a well-connected area. The property includes two warehouses. One of them offers 800 m² distributed over two floors of 400 m² each, providing spaciousness and versatility for different activities. The second warehouse has 250 m², perfect as a complementary space, storage or logistical support. An interesting opportunity for those looking for a plot with existing buildings already in place, ready to be adapted to different professional needs. Co...
