Description

A SPACE TO CULTIVATE YOUR DREAMS
LaHome offers for sale this agricultural plot of almost 12 hanegadas, located in the Turbañez residential area, less than 2 km from the town centre of Llíria. The plot is completely flat, making it easy to use for agricultural purposes and offering multiple cultivation possibilities. It includes a small building and a water reservoir, as well as a share in well water rights, providing added value for agricultural activities. The land has no electricity supply and is not fenced. Thanks to its excellent location, its proximity to Llíria and its features, it is an ideal option for growing trees, creating a vegeta...
